## celebration-of-life

While a funeral has more to do with the orderly and often spiritually-defined transition of the deceased from one social status to another; a celebration-of-life is more concerned with telling the story of the deceased. Celebrations-of-life are just that: a time people come together more to celebrate the unique personality and achievements of the deceased than to merely witness or mark the change in their social status.

We established a uniform payment policy that is fair to all families and that also prevents any misunderstanding. This policy enables us to contain our costs to all families we serve. Our policy requires that all financial arrangements be made prior to service, viewing times or cremation. Payment for our merchandise and services is due one full day prior to the service time or use of merchandise. Payment is due in full prior to cremation. The Following Are Acceptable Payment Options: 1. Cash or Check, but third party checks are not acceptable. 2. Visa, MasterCard, Discover, American Express. 3. Insurance assignment, this option is available once the insurance company has verified the assignment ability and the beneficiary of the policy. Policies that are under two years of age are often contestable and may not be acceptable. When acceptable insurance has been verified, all beneficiaries must sign the assignment in front of a notary. We have a notary available at no charge for this purpose. A 4% fee (minimum of \$80) of the total funeral home charges will be assessed and added to the statement. The original policy must be provided to us. Adams Funeral Home does not accept future payment from "Estate Funds".
